

Vocal and Musical Theater Program

Miss Patti Albert is the coordinator for our Vocal and Musical Theater program at Just Dance. Her small group class takes place once a week for 45 minutes and has a limit of no more than 7 students (most classes have less). Students are put in classes with others of the same age. Each student needs a binder and plastic sleeve to put music into.

Basic class structure and curriculum:

- *confidence building for life
 - *vocal technique
 - *voice development
 - *wide range of vocal repertoire
 - *memorization
 - *music reading
 - *music theory
 - *music history
 - *stage performance
 - *proper way to audition
 - *many solo and group musical theatre performances
- Throughout the year

Private Piano Lessons

Miss Patti has decided to begin taking private piano students again after many years of only teaching her daughters. This class is design for only serious children or adults interested in piano lessons. Daytime spots are available for home school students or adults. Children must be in at least 4th grade. Younger children are encouraged to take a vocal class to begin learning music before starting private piano.
