

Tap

Tap classes focus on building quickness with footwork and ankle strength and flexibility needed to become a strong tap dancer. Each class starts with several barre exercises then moves to center and across the floor combinations working with different rhythm patterns. Students will be placed in Levels 3 through 6 depending on age, previous experience, and skill level.

Class structure and curriculum:

- Barre exercises and warm-ups
- Center exercises
- Combinations emphasizing quickness and clarity of tap sounds
- Across the floor rhythm patterns
- Center combinations
