\*Our picture days always run extremely smooth and on time(except for the snow day last year, which I have taken into consideration this time!)

I promise to continue this again in our 2017 season! However, if there is a hold up please be patient! It is difficult to predict what will happen especially with the little ones so I just ask everyone to be friendly and patient through the photo process! I want this to be a fun time and for all the students to feel like the special princesses and princes they are!!!

SMILE EVERYONE!:)
